Dear Liam Fagan
Hope you are well.

I'm a new client of Jasper's. My account manager is Lurna.
I just want to say how impressed I am with her work and effort!
My business picked up sky-high and I had the best June month since
the start of my business in 2010.

I'm so excited. I really needed my business to grow and it really
did pick up LOADS.

She goes out of her way and communicate with me all the time.

Her service is awesome!

I use to pay 5 times more for my previous marketing company and I had
the worse service and months ever.

Really very pleased with your company and Lurna

Just thought I'd let you know.

Have a fabulous day!

All the best; Yolindie Botha
