Re: Supply of Server System and Software – Microsoft Server 2008

To Whom It May Concern:

This is to confirm that Jasper Consultants (Pty) Ltd has supplied our company with a Server System, loaded with Microsoft Server 2008 Software and other software.

Following initial start up troubles, to date all is operating and without problems.

We thank you for your support and efforts to get all running smoothly.

Yours sincerely

Mrs. Carol Visser-McKay
Branch & Financial Manager
